

January 31, 1995 LB 122, 124

to cities and villages. All this bill does is add three words, "and school district". It includes with cities and villages the duty of the county treasurer to pay funds collected the prior month to a school district. The second part of the law then comes into effect and also it requires the county treasurer to include with the payment, a statement indicating the source of all the funds received or collected. It is a necessary bill because there are a few county treasurers who are reluctant to pay the funds that they have collected to the school districts as they already are required to do for cities and villages. I would ask that the bill be advanced.

SPEAKER WITHEM: You've heard the opening, is there any discussion? Senator Matzke...Senator Jones, his light just went on. We'll allow him to speak on this measure. Senator Jones.

SENATOR JONES: Mr. Chairman, members of the body, could I ask a question of Senator Matzke? Yes, is that in record, or documented that that has been happening that they haven't been sending to all the schools on the fines that are supposed to be done?

SENATOR MATZKE: We have two counties where it has occurred, yes.

SENATOR JONES: I see. I didn't realize it had been happening, but I guess I'd support your bill then. Thank you.

SENATOR MATZKE: Thank you.

SPEAKER WITHEM: Thank you, Senator Jones. Senator Matzke, you are recognized to close.

SENATOR MATZKE: Nothing further.

SPEAKER WITHEM: Question is the advancement of LB 122. All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on the advancement of LB 122.

SPEAKER WITHEM: LB 122 is advanced. Mr. Clerk, I'm looking...is Senator Hillman in the Chamber? Okay, we're on LB 124, Mr. Clerk.
