

The amendments are adopted.

CLERK: I have nothing further on the bill, Senator.

PRESIDENT ROBAK: Senator Maurstad.

SENATOR MAURSTAD: I move to advance LB 53.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before the body is the advancement of LB 53. All those in favor say aye. All those opposed nay. LB 53 advances. LB 36.

CLERK: I have E & R first of all, Senator.

PRESIDENT ROBAK: Senator Maurstad.

SENATOR MAURSTAD: Madam President, I move to adopt the E & R amendments to LB 36.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before the body is the adoption of the E & R amendments to LB 36. All those in favor say aye. All those opposed nay. The amendments are adopted.

CLERK: Senator Hall would move to amend the bill, Madam President. (Hall amendment appears on page 620 of the Legislative Journal.)

PRESIDENT ROBAK: The Chair recognizes Senator Hall.

SENATOR HALL: Thank you, Madam President and members. The amendment is AMO262, is was just passed out to you by the Pages. It corrects a provision in statute dealing with Section 18-1917 and it is a law that we passed in 1993. It was LB 121 as Section 141 of that bill and we talked about the, and I'm sure many members will remember the backflow devices. And we drafted the law at that time regarding plumbing inspection codes saying that it had to be done a duly qualified master plumber licensed by the city or village nearest the construction site. Okay? And it, or it could be done by journeyman plumbers who were working as employees of that master plumber. The problem was with those backflow devices, they had been and were installed by steamfitters. They were not installed for purposes of a regular plumbing operation but when it related to heating and cooling
