

February 23, 1995 LB 828, 829

of LB 828.

SENATOR CROSBY: LB 828 advances. Senator Withem.

SENATOR WITHEM: Yes, what I would suggest doing, we understand that it might be about half an hour before the bills are reported down. I would suggest standing at ease. There had been some suggestion that we may want to go on and do some other legislative work. Senator McKenzie wanted her priority bill special ordered here at this moment but I don't believe we're going to be able to accommodate that this evening. I would suggest that we stand at ease.

SENATOR CROSBY: We are at ease.

EASE
