every term and item in that contract.

SENATOR CROSBY: Thank you, Senator Chambers. Senator Hall.

SENATOR HALL: Yield to Senator Chambers.

SENATOR CROSBY: Senator Chambers.

SENATOR CHAMBERS: I think I've completed, thank you.

SENATOR CROSBY: Senator Chambers waives off. Seeing no further lights for discussion on the subject, Senator Withem.

SPEAKER WITHEM: I have been convinced that this is not a good amendment and I will withdraw it.

SENATOR CROSBY: Thank you, Senator Withem, it is withdrawn. Anything further?

ASSISTANT CLERK: Madam President, Senator Hall would move to return the bill to Select File for a specific amendment.

SENATOR CROSBY: Senator Hall.

SENATOR HALL: Thank you, Madam President and members, the...just for those members of the Exec Board who are present, we'll hold off on that hearing for a while, that meeting. Mr. Clerk, could you read this amendment.

CLERK: Senator, this is your amendment that would read to amend AM7047 which was the Select File version I believe, on page 41 striking lines 12 and 13. I think that's...

SENATOR HALL: Thank you, Mr. Clerk. That amendment, Madam President, can go away as it would have the other night had I had an opportunity to deal with it. It would have because that was clarified by the Clerk that when we talked to the Revisor of Statutes that that was the only way that language can be handled, it would have gone away had I gotten an opportunity to deal with it late in the evening the other day before the rule suspension went up. So I would ask that that be withdrawn.

SENATOR CROSBY: Thank you, Senator Hall, it is withdrawn. Mr. Clerk.
