

going to support a retirement for myself. Health insurance, I think people...when you work for a company you should get health insurance. Retirement is very questionable because we're not a full time. We spend full time. I think I spend more time than what I ever thought I would, but it's not considered a full-time job, so I really don't think the voters will do that. Senator, if you would answer, I would like to visit with you a little bit.

SENATOR CHAMBERS: Senator Schellpeper, this proposal, even if adopted by the public, does not automatically put itself into operation. We would have to enact legislation setting up the programs that we were going to be involved in and set out the limitations on those programs.

SENATOR SCHELLPEPER: But they would have to approve us doing that.

SENATOR CHAMBERS: Yes, and I think unless we...

SENATOR SCHELLPEPER: And that's...

SENATOR CHAMBERS: ...submit it to the public, we'll never know.

SENATOR SCHELLPEPER: Well, that, I guess, I hate to put it out there and they'll say, yes, you need something. They probably wouldn't give us more salary and they...

SENATOR CHAMBERS: Well,...

SENATOR SCHELLPEPER: ...probably won't give us retirement, but I think they would give us some health insurance and that's where I'm coming from.

SENATOR CHAMBERS: But, Senator Schellpeper, let's say that we're all naked but we're hiding behind trees...

SENATOR SCHELLPEPER: I hope we're not.

SENATOR CHAMBERS: ...so people cannot see us but a day is going to come when we're going to have to go out to the public, and you want to be totally covered. If you were going to go to a tailor and try to beg some clothing, would you tell the tailor, I would like a full dress suit, or being so fearful that you might not get that, you would say to the tailor, I would like
