

that I see with the bill. But if it doesn't reach the point of solving the problems that I see, I would...

SPEAKER WITHEM: Time.

SENATOR CHAMBERS: ...still not support it, but I'd be willing to work, but I won't do all the work.

SPEAKER WITHEM: Thank you, Senator Chambers. I would like to take this opportunity to recognize guests of Senator Bromm in the north balcony. We have 19 high school students from Clarkson High School in Clarkson, Nebraska with their teacher. If you'd all stand please. On the motion to bracket, we have the following lights on, Senator Janssen, Hall, Engel, Beutler, Robak, Maurstad, Wehrbein, and Wesely. Senator Janssen.

SENATOR JANSSEN: I'd call the question, Mr. Speaker.

SPEAKER WITHEM: The question has been called. Do I see five hands? I do. The question is, shall debate cease? All in favor vote aye, opposed vote nay. Have you all voted? Senator Engel, I didn't hear that. Your mike wasn't on.

SENATOR ENGEL: I'd like to have a call of the house and a roll call vote.

SPEAKER WITHEM: Senator Engel has requested a call of the house and a roll call vote on the question to cease debate. All those in favor signify by voting aye, opposed no. This is on the question to have the house go under call. Record.

CLERK: 21 ayes, 0 nays to go under call.

SPEAKER WITHEM: The house is under call. Senator, the house is under call. Members, please return to the Chamber. Senator Engel, was that a roll call vote or call-in votes?

SENATOR ENGEL: Call-in would be fine.

SPEAKER WITHEM: Senator Engel has authorized call-in votes. Senator Chambers has requested a roll call vote so we will have a roll call vote when all members have checked in. Senator Brown, can you check in please. Looking for Senators Cudaback, Schellpeper, and Landis. Senator Chambers has authorized us, and this is a point that maybe I might want to make here,
