

schools under the Class VI umbrella. I think I need a hold-harmless for the repeal of the common levy. I think that's where I need the hold-harmless in my district, but I'd like to ask Senator Bohlke one question if I could.

SENATOR HALL: Senator Bohlke.

SENATOR BOHLKE: Yes.

SENATOR JONES: This two years in arrear, okay, if three schools would consolidate, would state aid come for each one of them three schools, all to the one school they would be consolidating in for two years before you started on your three year hold-harmless?

SENATOR BOHLKE: It would be the amount of the three that combined, consolidated.

SENATOR JONES: That's what I wanted to know.

SENATOR BOHLKE: And that...it would be that amount that they would receive in state aid.

SENATOR JONES: The amount from each school would all go to the one then for the first two years?

SENATOR BOHLKE: Correct.

SENATOR JONES: Okay, and then you'd start in on the three year program, graduating it down.

SENATOR BOHLKE: Yes.

SENATOR JONES: Okay, well that's what I wanted to kind of get clear because...if it's in the two years in arrear, well they would still get the same so we're talking about a five year program here and I think that's real good and they're talking about a sunset so you might go two, three years before they would want to start on this and then they would start on it, so it could be down the road more than just five years to eve...

SENATOR BOHLKE: Senator Jones, that's why in response to Senator Bernard-Stevens' question, I said before naming a sunset date, that I would want to look at that exact thing and I think that was the agreement from Senator Bernard-Stevens that we
