

SPEAKER WITHEM: ...agencies and would quickly veto it. The politics behind this legislation would mean that that might not happen because this is one of those things that certain agencies...organizations outside the Legislature, so they can put Nebraska in a column, I know Senator Preister passed out this information and he's not necessarily a supporter of this, but by way of example I'm going to use his information here, so that when these people go to their national conventions they can say, yeah, we, in Nebraska, passed takings legislation. It's really, what's proposed here is merely a review. It could be a very onerous review. I don't know as it's necessarily going to do anything for property owners because it doesn't compensate owner, the bill doesn't compensate those property owners. All it is is a very elaborate process that state government is going to have to go through in this era when everybody is clamoring for a downsizing of government and doing away with nonessential functions of government,...

SENATOR KRISTENSEN: Time.

SPEAKER WITHEM: ...we're imposing a more onerous burden on our agencies of state government. So I would not be supportive of the bill.

SENATOR KRISTENSEN: Thank you, Senator Withem. Senator Cudaback.

SENATOR CUDABACK: Call the question.

SENATOR KRISTENSEN: The question has been called. Do I see five hands? Okay, the issue is, shall debate cease? All those in favor vote aye, those opposed vote nay.

SENATOR CUDABACK: Mr. Speaker, I'll have a call of the house, please.

SENATOR KRISTENSEN: There's been a request for a call of the house. All those in favor vote aye, those opposed vote nay. Mr. Clerk.

CLERK 17 ayes, 0 nays to go under call.

SENATOR KRISTENSEN: The house is under call. Would all unauthorized personnel please leave the floor and all senators
