

SENATOR HALL PRESIDING

SENATOR HALL: (Mike not activated immediately.) ...the George W. Norris Legislative Chamber. Will members of the Legislature please record their presence so that we can begin this afternoon's session.

CLERK: I have a quorum present, Mr. President.

SPEAKER WITHEM PRESIDING

SPEAKER WITHEM: A quorum is present. Any messages, reports or announcements?

CLERK: I have no messages, reports or announcements at this time, Mr. President.

SPEAKER WITHEM: I'd like to announce that I'm modifying the agenda to place LB 490 before the body at this point, Mr. Clerk.

CLERK: Mr. President, 490, a bill originally introduced by Senator Kristensen. (Read title.) The bill was introduced on January 17 of this year, Mr. President, referred to the Revenue Committee. The bill was advanced to General File. There are committee amendments pending by the Revenue Committee.

SPEAKER WITHEM: Senator Warner, on the committee amendments.

SENATOR WARNER: Mr. President, members of the Legislature, I'd move adoption of the committee amendments and I'm going to yield the balance of the time to Senator Kristensen since the amendments are an intricate part of the bill and he probably would be best to explain the bill along with the amendments at the same time.

SPEAKER WITHEM: Senator Kristensen. Senator Jones, for what purpose do you rise?

SENATOR JONES: Just wondered when my bill would come back up in the order? Could you just inform me just a little bit?
