

PRESIDENT ROBAK: Thank you, Senator. Senator Hall.

SENATOR HALL: Madam President, a point of order. I'd like to ask that the amendment be divided. I'd like to take the last section out. The rest of it, I don't have any objection to the first three. I'd just like to see Section 4 dealt with separately, if it's...I believe it's clearly divisible and I would ask that the Clerk make that determination if he would agree, if the Chair would agree then.

PRESIDENT ROBAK: Senator Hall, are you referring to paragraph 4 on page 2 of the amendment?

SENATOR HALL: Yes.

PRESIDENT ROBAK: Yes?

SENATOR HALL: Yes.

PRESIDENT ROBAK: It is so ordered. Senator Hall, you have nothing further? Senator Hall, nothing further?

SENATOR HALL: No, Madam President, I rise in support. I think there is just a question that some of the members have with regard to whether or not the amendment has been before us, and I got mine from the Clerk, and it might have been passed out earlier, but even in this mess that I have here, traditionally, I can't find it, and I don't have any objection to the first three portions. I'd just like more clarification on the last one, and I rise in support of the first half of this amendment as it has been divided. I don't think there is any problem at all with the amendment as it has been divided, at least the first three paragraphs, and would urge the body to support those as well. But I do have some questions about paragraph 4. That's why I asked for it to be divided.

PRESIDENT ROBAK: Senator Kristensen, do you wish to deal with the first sections first or the Section 4 first?

SENATOR KRISTENSEN: I would like to deal with the first sections, first, and then...where is my light at in the order of speaking?

PRESIDENT ROBAK: Senator Kristensen, you are last right now, which is third up. Senator Bromm, Senator Hall, and Senator
