

SPEAKER WITHEM: Thank you, Senator Landis. Senator McKenzie.

SENATOR MCKENZIE: Thank you, Mr. President and members of the body. I rise to lend my support for the confirmation of Mr. Cliff Williams from Aurora. Besides the remarkable accomplishments this gentleman has had, as you heard Senator Landis mention, he is indeed someone who has maintained and uses a great deal of common sense in his business dealings. He was once before on the Research and Development Authority for a term and has had a bit of sabbatical and is willing to return. Certainly he provides a great deal of both technical and practical and common sense to the decisions of the Research-Development Authority. I would encourage the adoption of the confirmation report.

SPEAKER WITHEM: Thank you, Senator McKenzie. Further discussion? Senator Landis, do you have a closing? Closing is waived. Question is the adoption of the Banking Committee confirmation report. All in favor vote aye, opposed vote nay. Record.

CLERK: 28 ayes, 0 nays, Mr. President, on the adoption of the Banking Committee confirmation report.

SPEAKER WITHEM: Banking Committee confirmation report is adopted. Legislative resolutions. The agenda does not indicate so, but we will be handling 83 and 84 as a group for purposes of voting. We will use the Schimek rule in that case. So, Mr. Clerk.

CLERK:., Mr. President, LR 83, offered by Senator Jones, it's found on page 1357 of the Journal.

SPEAKER WITHEM: Senator Jones.

SENATOR JONES: Mr. President, members of the body, I've introduced this resolution in recognition of the 75th anniversary of the International Order of Jobs Daughters. The resolution was brought to me by the Grand Bethel Queen, Shannon Miller, of Valentine, and the organizer of the 75th anniversary, Mary Anne Copel (phonetic), also of Valentine. Instead of going into a lot of detail on the resolution of Jobs Daughters Organization, I would like to turn the rest of my time over to former Jobs Daughter, Senator Carol Hudkins.
