

Senator Bernard-Stevens, we've been told Senator Bohlke is on her way.

SENATOR BERNARD-STEVENS: We'll wait.

SPEAKER WITHEM: Excuse me.

SENATOR BERNARD-STEVENS: Wait.

CLERK: (Roll call vote taken. See pages 1488-89 of the Legislative Journal.) 37 ayes, 1 nay to cease debate.

PRESIDENT ROBAK PRESIDING

PRESIDENT ROBAK: Debate ceases.

CLERK: Madam President, I have a priority motion. Senator Bernard-Stevens would move to reconsider the vote to cease debate.

SENATOR BERNARD-STEVENS: Thank you, Madam President, members of the body. This is, basically, for Senator Maurstad's benefit that even though we cease debate early because one gets to...wants to move onto other issues, that at any particular time, you can have a roll call vote, you can ask for a call of the house. We can take our time. We can have roll call vote, and then whatever the case be, you not vote, move to reconsider and you will have...you will have the conversation. I mean that's no problem. We could also, then, ask a ruling of the Chair, and if the Chair rules that something might be nongermane or something, we can move to override that decision, have a roll call vote, call of the house, reconsider that. It...there is always...

PRESIDENT ROBAK: Excuse me, Senator.

SENATOR BERNARD-STEVENS: Senator Pirsch knows how it works.

PRESIDENT ROBAK: I am going to raise the call.

SENATOR BERNARD-STEVENS: Thank you, Senator Ro...or former Attorney General, I guess...

PRESIDENT ROBAK: Lieutenant Governor.
