

SENATOR KRISTENSEN: I think that's accurate.

SENATOR HALL: Okay. And the next part of the amendmen..

SENATOR KRISTENSEN: It goes through, and on the back page, the very last section which is Section 14...

SENATOR HALL: Right, that's struck.

SENATOR KRISTENSEN: ...you strike out that entire support fund.

SENATOR HALL: Okay.

SENATOR KRISTENSEN: That's the cash fund that you could have used to help buy investigators, expert witnesses, depositions and litigation cost because what I'm doing now is not just giving, since I don't have enough money, I'm not just creating a pool of money to be spent. It's going to go into staff only as opposed to having this fund for the purchase of some necessary other costs of representation. The county is going to have to...

SPEAKER WITHEM: One minute.

SENATOR KRISTENSEN: ...buy those on their own.

SENATOR HALL: Okay, then the next part of the amendment.

SENATOR KRISTENSEN: There's one that talks about the effective date of Section 11 and actually Section 11 because of renumbering is the old Section 10. Okay?

SENATOR HALL: Right.

SENATOR KRISTENSEN: And that is if there was ever money put into a fund to do that, that's how they get the reimbursement for doing those things. That's where you could have the county come in and say, look, we want to apply for some reimbursement of our indigent defense costs, supplies and services, but I put a delayed date on that because I didn't...depending on what we do with funds, I don't know what to do with that.

SENATOR HALL: So the \$500,000 that you're looking at is, basically, to set up the operation.
