LB 240, 478  
LR 89

body. This resolution honors Matthew Wright. Matthew is a seventh grader at Bible Baptist Church in Columbus and Matthew has just captured the state spelling championship. Matthew had won the local, Platte County, event three years in a row and now he's won the state contest. He advances to the national spelling contest in Washington, D.C. on May 4th. Matthew is the son of John and Bethany Wright. He's a seventh grader at Bible Baptist School, and he...the word that got him into the national championship was the word acciduous. (Laugh.) And it means scanty or meager. Euphemism is another one that he spelled correctly. He said he had a time with some other words, but being in the state championship still proved him to be a pretty good student. This resolution honors Michael (sic) Wright. And I would just ask the body not to be acciduous in advancing this resolution as it certainly is not euphemistic in nature. With that, I would just ask the body to advance LR 89. Thank you.

SENATOR CROSBY: Thank you. (Gavel.) I should have pointed out that we are on Final Reading, you should be in your seats. Senator Hudkins.

SENATOR HUDKINS: Madam President and members of the body, this amendment is actually LB 478, which we did have discussion on prior to this on the floor. This bill was heard by the Business and Labor Committee and then advanced to the floor.
