

Beutler, on this amendment.

SENATOR BEUTLER: Senator Wesely, just one question, if I may. I know that Senator Landis and possibly the Banking Committee, although I don't know that he has talked to the Banking Committee yet, is interested in an interim study on this particular subject and I guess I'm asking you whether the requirement that the Legislature be involved could be...is that requirement carried out by an interim study by the Banking Committee...

SENATOR WESELY: Yes.

SENATOR BEUTLER: ...operating in conjunction with the Governor's work?

SENATOR WESELY: I would definitely feel that way.

SENATOR BEUTLER: Okay, thank you.

SPEAKER WITHEM: Senator Lynch. There are no further lights on. Senator Wesely.

SENATOR WESELY: Again, I'm sorry, we tried to get copies run real quickly, but this would add where health insurance is in that language it would be health care through insurance or other methods, and where it talks about the Governor looking into this, it would be the Governor together with the Legislature shall do the study. So I would ask for adoption of this amendment from Senator Bromm and Senator Warner.

SPEAKER WITHEM: You've heard the closing. The question is the adoption of the Wesley-Bohlke amendment. All those in favor vote aye, opposed vote nay. Record.

CLERK: 26 ayes, 0 nays, Mr. President.

SPEAKER WITHEM: The amendment is adopted. Next item, Mr. Clerk.

CLERK: I have nothing further pending the committee amendments at this time, Mr. President.

SPEAKER WITHEM: For discussion on the committee amendments, I would recognize Senator Wesely, Senator Witek, your light is on.
