PRESIDENT ROBAK: Thank you, Senator Chambers. Senator Schimek announces that the following guests are visiting the Legislature. There are 20 first graders here from Belmont Elementary School in Lincoln with their sponsors. Senator Abboud announces that 41 fourth graders from Meadows Elementary in Omaha are here and with their teacher. They are both in the north balcony. Will you stand and be recognized please. And Senator Matzke announces that three students from Sidney High School are here, with their teacher. They are under the south balcony. Will you all stand and be recognized please. Welcome to all of you. Senator Abboud, your light is next to speak to the Hall amendment.

SENATOR ABOUD: Thank you, Madam President, members. Would Senator Hall yield to a question.

PRESIDENT ROBAK: Senator Hall.

SENATOR HALL: Yes.

SENATOR ABOUD: Senator Hall, your language, in reading through it, I am trying to determine if this would apply just to individuals that are currently receiving AFDC, or would this apply to all Nebraskans?

SENATOR HALL: Madam President and members, Senator Abboud, the way I envision how this would work is that it would, basically, fund clinics in areas of the state where the need has been found to exist, where the services are not provided. Right now there is a million dollars in this area that is used, it flows through the Department of Health, and it flows into nine clinics that are established. This would, basically, allow with the additional \$425,000 for another about eight clinics to be established.

SENATOR ABOUD: Okay. And what exactly, we talked about this...I have been getting some letters on this subject, and I'm...

SENATOR HALL: Correct.

SENATOR ABOUD: For the record, I want to try to establish here what exactly is your intent to provide with this program that
