LR 94

time, is it fair for the property taxpayers of those counties to pick up the entire tab of crimes that we have outlined here in the State of Nebraska at the legislative level, and who by the courts they are forced to defend? I suggest to you that it's not and that this small contribution is a wise way to go about that and it's a good place to do it. I pledge I'm going to work between now and Select File. I'm going to look at those amendments like I did before with Senator Lindsay and Hall, I'm going to look at the ones Senator Beutler has given me. There's one of Senator Lindsay's I think I probably can live with, because I think we probably have the same intention, he just had it drawn differently. And we're going to look at maybe for some of you who are concerned about the county contribution if it, that there may be a deductible type of policy we could put in there. I'll do that between now and Select File. I do appreciate your patience.

SPEAKER WITHEM: One minute.

SENATOR KRISTENSEN: And I would hope that you'd advance LB 646.

SPEAKER WITHEM: Question before the body now then is the advancement of LB 646 to E & R Initial. All those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: (Read record vote as found on page 1689 of the Legislative Journal.) 25 ayes, 14 nays, Mr. President, on the advancement of 646.

SPEAKER WITHEM: The bill advances. Any items for the record, Mr. Clerk?

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 385 to Select File.

SPEAKER WITHEM: The call is raised, by the way.

CLERK: LB 593, Select File; LB 593A, LB 376, LB 538, LB 330. New resolution, Senator Coordsen offers LR 94. (Read brief summary). And I have appointment letters from the Governor, Mr. President. That's all that I have at this time, Mr. President. (See pages 1689-92 of the Legislative Journal.)

SPEAKER WITHEM: Senator McKenzie, would you like to make a motion.
