

federal law or federal regulation and would just want to make certain that we also or that the department and the other groups that are involved here also take that and keep that in mind when these recommendations come back before us, that we don't open up an opportunity for them to not address that what I believe is a very serious concern also. So I appreciate your response. Thank you.

SENATOR CROSBY: Thank you, Senator Maurstad. Any further discussion on the McKenzie amendment? Seeing none, Senator McKenzie, would you like to close?

SENATOR MCKENZIE: Thank you, Madam President, yes, I would and just briefly, certainly we will look at the change that this amendment is making between now and Select File. If we believe, Senator Maurstad, that it has omitted any specific concern or does not specifically address looking at the federal regulation in our state law and state regulations so as to try to come closer to federal rules and regulations that we can certainly add the language back. But at this point I think we are all right in striking that language. It was included in the beginning to be very specific and very strong in looking for ways that we could get some of what we had required loosened up for school districts and Educational Service Units. I believe by inserting the rules and regulations below that we will accomplish the same task. With that I would ask your adoption of the amendment. Thank you.

SENATOR CROSBY: Thank you, Senator McKenzie. You've heard the closing. The question is the adoption of the McKenzie amendment to the committee amendments. All those in favor vote aye, opposed no. We're voting on the McKenzie amendment to the committee amendments. Have you all voted?

SENATOR MCKENZIE: Madam President, I would ask for a call of the house.

SENATOR CROSBY: There is a request for a call of the house. All in favor vote aye, opposed vote no. Record, please.

CLERK: 9 ayes, 0 nays to go under call, Madam President.

SENATOR CROSBY: The house is under call. Would all senators please return to the Chamber and record your presence. Would all unauthorized personnel please leave the floor.
