LB 658

this amendment. I hope all the rest of you will too, and stop this argument. Senator Chambers, if you'd like the rest of my time, you may have it. Thank you.

SENATOR HALL: Thank you, Senator Crosby. Senator Chambers, you have approximately one and a half minutes.

SENATOR CHAMBERS: Thank you. Mr. President, members of the Legislature, I want to ask Senator Witek one question because I think she can answer it within the one and a half minute.

SENATOR HALL: Senator Witek, would you respond.

SENATOR WITEK: Senator.

SENATOR CHAMBERS: Senator Witek, you read off a list of benefits that you say this woman that I am talking about would receive.

SENATOR WITEK: Could.

SENATOR CHAMBERS: Do you know of any case where any woman ever received everyone of those things you read off?

SENATOR WITEK: Do I know if someone took advantage of every single one of those in one person?

SENATOR CHAMBERS: Yes.

SENATOR WITEK: I, personally, do not. I am not saying it is not possible.

SENATOR CHAMBERS: Are you saying, oh, that was the next question. Why didn't you take the time, then, since you're so adamant against giving these women this help they need, this cash (inaudible).

SENATOR HALL: One minute.

SENATOR WITEK: This cash that you say they need.

SENATOR CHAMBERS: Why didn't you take the time to find out how many instances of a woman receiving all those benefits if you are using that list as an argument against what I am saying?
