

all interrelate, and I am not sure how I feel about them, but I don't think 592, I will probably support the bracket motion because I need some more time on it, and it looks like 592 needs some more time on it, and I do see an interrelation between visitation and child support. I think you are demanding responsibility of the fathers...

SENATOR CROSBY: One minute.

SENATOR WITEK: ...by requiring that they pay their child support, but you are not demanding the responsibility of the custodial parent to do what they were told to do by the court. And if you don't tie the two together, and they are tying it together out there in giving this as a reason for not paying support, I don't see where we...where we fall behind by enforcing both of them at the same time in the same bill. So to me, I don't understand the vote earlier that separates them, and now trying to bracket the bill to solve which is a very complicated problem. If it is just money we are after, I guess, you know, we are not going to come out ahead either way we do it. I am not sure, you have said, some of the other states have said that they have collected more money, but here in Nebraska, looking at this fiscal note, they don't anticipate collecting any more money, just offsetting \$246,000. So I am not sure what we are after here, other than going after these people who aren't paying child support and paying more tax...

SENATOR CROSBY: Time.

SENATOR WITEK: ...dollars to go after them.

SENATOR CROSBY: Thank you, Senator Witek. Senator Withem.

SPEAKER WITHEM: I would call the question.

SENATOR CROSBY: The question has been called. Do I see five hands? I do. The question is, shall debate cease? All in favor vote aye, opposed no. We are voting on ceasing debate, have you all voted? Senator Withem.

SPEAKER WITHEM: (Mike off) ...ask for a call of the house. Excuse me, I would like to withdraw that request for a call of the house.

SENATOR CROSBY: Thank you, Senator Withem. Record, Mr. Clerk.
