LB 530

SENATOR JENSEN: Okay, a donation. If I wanted to make a donation to Game and Parks, could you take me through the procedure as to how that flows through and back out?

SENATOR ROBINSON: Hold on a minute. Are you talking about cash or buildings?

SENATOR JENSEN: Let's talk about cash.

SENATOR HALL: One minute.

SENATOR JENSEN: Cash does not flow through, is that right, Senator Lynch?

SENATOR ROBINSON: Are you still on? Does he still have time?

SENATOR HALL: Yes, we're on Senator Jensen's time.

SENATOR ROBINSON: Could you refer that to Senator Lynch?

SENATOR HALL: Senator Jensen, could Senator Lynch respond to the question? Senator Lynch, please answer the question. Thank you.

SENATOR LYNCH: Senator Jensen, in my amendment to the amendment I read this paragraph, in fact, tried to emphasize it so that we could satisfy that concern. By the way, nobody from Game and Parks ever called or talked to me about anything on this bill and never appeared at the hearing, so I'm not sure of the source or if it's individual concern on the part of anybody on the floor about this. But the second most important part of my amendment to the committee amendments was that the Building Division plans to phase in facility management beginning with, whoops, got the wrong one here.

SENATOR JENSEN: And, Senator Lynch, I believe I...

SENATOR HALL: Time.

SENATOR LYNCH: And I said we...

SENATOR HALL: Senator Lynch, I'm sorry, but time has expired. There's...

SENATOR LYNCH: I'll answer when I have my light on.
