

SENATOR DAY: Thank you, Madam President and members, again, the committee amendments became the bill, but I'd like to open this time up and make sure there are no questions still on what we're doing with this. We've done quite a bit of discussion on it but again I hope if you have questions or concerns at this time we'd raise them and talk about this piece of legislation. Thank you.

PRESIDENT ROBAK: Senator Lindsay is not here. Is anyone prepared to...

SENATOR BERNARD-STEVENS: Well, we're not on the amendment yet, I'll just speak on the bill if that's all right.

PRESIDENT ROBAK: That would be appropriate, Senator.

SENATOR BERNARD-STEVENS: Senator Day, would you yield to a couple of questions?

SENATOR DAY: Certainly.

PRESIDENT ROBAK: Senator Day.

SENATOR DAY: Yes.

SENATOR BERNARD-STEVENS: On the...I'm going through what I believe the bill is now and that would be the committee amendments. The License Revocation Act's provisions would be triggered by, and I'm on page 3, any of the following conditions.
