LB 490

I appreciate getting that in the record for purposes of how that aspect of the proposal will work. That being the case, I rise in support of the Kristensen amendment as it's been adopted. Thank you, Madam President.

SENATOR CROSBY: Thank you, Senator Hall. Your light is still on. Would you like... would you like to talk again?

SENATOR HALL: You know, Madam President and members, I would. You introduced those lovely ladies that were in the north balcony from Corrigan. My Aunt Mary Ann is up there, Mary Ann Kurgan, with them, and I just would like to recognize her. There she is. And so any of you that have stories you'd like to tell about me, you can run up there and tell my Aunt Mary Ann. I'm sure she'll call my mother and let her know, but with that...

SENATOR CROSBY: She could probably tell us some stories about you too, huh?

SENATOR HALL: Senator Crosby, she probably could.

SENATOR CROSBY: Thank you, Senator Hall. Any further discussion of the Kristensen amendment to LB 490? Seeing none, Senator Kristensen, he waives closing. The question is the adoption of the Kristensen amendment to LB 490. All in favor vote aye, opposed no. Record, please.

CLERK: 25 ayes, 0 nays, Madam President, on the adoption of Senator Kristensen's amendment.

SENATOR CROSBY: The amendment is adopted. Anything further?

CLERK: Senator Kristensen, AM1600. I have a note you want to withdraw 1600, Senator.

SENATOR KRISTENSEN: That is correct, Mr. Clerk. I'd ask unanimous consent to withdraw.

SENATOR CROSBY: It is withdrawn.

CLERK: Senator Kristensen, I now have AM1673. (Senator Kristensen's AM1673 is referred to on page 1738 of the Legislative Journal.)
