

cloudy now and I think that we want to be clear on it and look at them ahead of time. And my plans are now to enter a resolution and hopefully get it passed and voted on this year and send it to all the agencies and see where they stand on it and see how they would act on it. I might even get an agenda for them, especially the Health and DEQ and see where they're at on it and see if we can work through and see if they abide by these...by the resolutions and come back next year and if nothing else is changed, I'll try to continue with my bill next year when we've got more time and hopefully that it won't take the time. And there's so many amendments now on it that it could take another rest of the eight hours now and another eight hours on Final Reading and which I don't want to take the body through right now because I think it has some cloudy issues in it. So, again, I want to thank everybody for their time and their patience on this and hopefully we can pass this. Thank you.

PRESIDENT ROBAK: Thank you, Senator Jones. Senator Chambers.

SENATOR CHAMBERS: Madam President and members of the Legislature, this is one of those issues that I would have been delighted to discuss eight hours because of the serious constitutional matters that would be before us. But despite my great desire to discuss those issues in which I have a profound interest, I have listened to the very persuasive conversation of Senator Bromm. I have listened to the very convincing arguments of Senator Jones, and reluctantly I'm going to agree to support their bracket motion.

PRESIDENT ROBAK: Thank you, Senator Chambers. Senator Jones, your light is next.

SENATOR JONES: It was just left on.

PRESIDENT ROBAK: Is there any further discussion on the motion to bracket? Seeing none, the question before...excuse me, Senator Bromm, do you wish to close?

SENATOR BROMM: Only to thank Senator Chambers for his kind remarks and his continued cooperation as we try to continue this session in an amicable manner. Other than that, I will waive closing. Thank you.

PRESIDENT ROBAK: Thank you, Senator Bromm. The question before
