

down a number of areas that the Game and Parks had started up years ago and then all of a sudden decided they didn't want to continue to take care of them, you know, we could say the same thing here. I don't...I agree that \$15,000 is not going to take care of those but they also suggested that they weren't going to take care of some of lakes and park areas that they had acquired simply because they didn't have the money. I think maybe the best thing to do is go ahead and let the committee amendments be agreed to and then we can take it up at that point, if that would be all right. Okay.

SENATOR CROSBY: Thank you, Senator Bernard-Stevens. Any further discussion? Seeing none, Senator Wehrbein. He waives closing. The question is the adoption of the committee
