

SENATOR CHAMBERS: I don't want any of it done, but I want to ask a question to make...to see just what the bill allows.

SENATOR HUDKINS: Since this is a hunting endeavor, I am assuming that it would be con...only including game animals.

SENATOR CHAMBERS: Does it include animals other than birds? Do you know, or should I ask Senator Avery?

SENATOR HUDKINS: I...

SENATOR CHAMBERS: I'm not trying...

SENATOR HUDKINS: No...

SENATOR CHAMBERS: ...these are...these are questions that I want information.

SENATOR HUDKINS: Since he's the Game and Parks person, I would be more comfortable in referring the question to him.

SENATOR CHAMBERS: Thank you. And, Senator Avery,...

SENATOR AVERY: Yes.

SENATOR CHAMBERS: ...the question that I had asked first was whether or not chickens of the ordinary variety could be covered by this bill? Could a person raise chickens and allow people to come on the area...the land and shoot them, these hunters?

SENATOR AVERY: I think that could be done no matter what, because they aren't controlled by statutes.

SENATOR CHAMBERS: Can they be...then they could be raised and put out there for these big, fat, cruel businessmen who want to shed a little blood and maybe get some sexual gratification. They could come out here and shoot chickens since they couldn't shoot anything else. Is that true?

SENATOR AVERY: It's not...

SENATOR CHAMBERS: I'm just asking about the chicken part.

SENATOR AVERY: ...that's not the practice now. I suppose someone would do that, I don't know why they would do that,
