and it's been some months since I've talked to him about that, but I know that there was some interest in the whole issue of publication, you know, and what's necessary. Every session I've been in the Legislature, which isn't all that many, but there's...

SENATOR SCHIMEK: About the same amount of time I have, Senator Schimek.

SENATOR KRISTENSEN: ..about the same time as you have and about one-eighth or one-tenth of what Senator Chambers... or it seems like Senator Chambers has been here, that...

SENATOR SCHIMEK: Forever.

SENATOR KRISTENSEN: ..people wanting to change the number of publications for policy reasons. Now, there are those that want to change them for financial reasons, but, you know, that is a whole separate issue. This is a basic cost...

SENATOR SCHIMEK: Cost.

SENATOR KRISTENSEN: ..of doing the operations and if you want to make those policy changes I think that...

SENATOR BERNARD-STEVENS: One minute.

SENATOR KRISTENSEN: ..Senator Robinson probably is well on his way towards having that interim study for those things and in a number of other areas and I know that it isn't just in government but I know that when I sat on Judiciary Committee there was issues there as well and those have been on and off throughout the years.

SENATOR SCHIMEK: Okay. Thank you. I don't... I don't think I'll be able to follow up on that, but I'd turn my light on again. Thank you.

SENATOR ROBINSON: Thank you, Senator Schimek. Senator Hall.

SENATOR HALL: Thank you, Mr. President and members. I rise in support of the amendment offered by Senator Maurstad because it's better than the committee amendments and it's a lot better than the bill, but I am going to oppose the bill. I was the only vote, if you look at the committee statement, the only
