

look at working out some language in that general direction if that's you and the thoughts of the body as a whole.

SENATOR HALL: Thank you. On that rather elusive response..

SENATOR MAURSTAD: Yes, I will work with you.

SENATOR HALL: ...I'll still support the amendment. Thank you, Madam President.

SENATOR CROSBY: Thank you, Senator Hall. Senator Maurstad. He waives off. Any further discussion on the Maurstad amendment to the committee amendments? Seeing none, Senator Maurstad, would you like to close?

SENATOR MAURSTAD: Thank you, Madam President, I would just merely urge the body to adopt AM1866. It deals with unused budget authority for other public subdivisions other than school districts. I think, as Senator Hall and Senator Lynch have brought cut, more than willing to look at the language and work with them so that we can better identify the actual reporting requirements for the subdivisions in the calculation of this particular number. Appreciate the discussion and would urge the advancement of the amendment.

SENATOR CROSBY: You've heard the closing. The question is the adoption of the Maurstad amendment to the committee amendments. All in favor vote aye, opposed no. Record, please.

ASSISTANT CLERK: 26 ayes, 0 nays on the adoption of Senator Maurstad's amendment.

SENATOR CROSBY: The amendment is adopted. Anything further, Mr. Clerk?

ASSISTANT CLERK: Madam President, the next amendment I have is from Senator Vrtiska.

SENATOR CROSBY: Senator Vrtiska, to open on your amendment.

SENATOR VRTISKA: Thank you, Senator Crosby, I'll...soon as I get my amendment here I'll...but I can start telling you what it is. Basically what I've done is introduce an amendment that would leave everything the way it has been, extend the lid for one more year and just change the words '94-95 to '95-96.
