LB 371

that, Senator Hall, I would ask if we might stand at ease for a minute or minute and a half to complete the drafting of this amendment.

SENATOR HALL: Senator Lindsay, are you relinquishing the balance of your time?

SENATOR LINDSAY: Or else I could whistle. I could dance. I could do...

SENATOR HALL: Senator Lindsay, we'll stand at ease, considering the options.

EASE

SENATOR HALL: Senator Lindsay, you have approximately two minutes left.

SENATOR LINDSAY: Funny thing happened to me on the way to the Legislature today. No, I'm not going to go into that routine. (Laughter.)

SENATOR HALL: Amendment on the desk, Mr. Clerk.

CLERK: Senator Chambers would move to amend this component of the committee amendments, Mr. President. (FA250 appears on page 2352 of the Legislative Journal.)

SENATOR HALL: Senator Chambers, you are recognized to open on the amendment to the committee amendments.

SENATOR CHAMBERS: Thank you. Mr. President, in order to make it clear for the record and E & R how this amendment is going to tie into what it is we're doing, we have the sheet that lists the divisions of this committee amendment, so the division that I'm dealing with is number five on the sheet, and that takes us to page 5, lines 19 through 20 of the committee amendment. And that would amend subsection (a) which starts on page 15 and goes over to page 16 of the green copy. That's what is being amended by the committee amendment. So mine is going to that same area and what I probably should have done is added it to Senator Lindsay's...oh, yeah, that's what I will be doing.

SENATOR HALL: Yes, Senator Chambers.
