LB 455, 592, 742

CLERK: Senator Lindsay would like to put amendments to LB 455 and Senator Witek to LB 592. (See Senator Lindsay's AM2430 and Senator Witek's AM2380 as found on pages 2431-33 of the Legislative Journal.)

Senator Bernard-Stevens would move to adjourn until Tuesday morning, May 23, at 8:30 a.m., Madam President.

PRESIDENT ROBAK: The question before you is the motion to adjourn. There's been a request...there's been a request for a machine vote. Question before you is the motion to adjourn. All those in favor vote aye; all those opposed vote nay. Have you all voted? Please record.

CLERK: 13 ayes, 13 nays to adjourn.

PRESIDENT ROBAK: We do not adjourn. We now return to discussion on the motion to reconsider. Senator McKenzie.

SENATOR MCKENZIE: Madam President, I'll try to use a voice like a lullaby and then everyone will fall asleep. Senator Bernard-Stevens, if you would yield to a question, please.

PRFSIDENT ROBAK: Senator Bernard-Stevens.

SENATOR MCKENZIE: When we advanced LB 742 from committee with amendments did you vote yes?

PRESIDENT ROBAK: Senator.

SENATOR BERNARD-STEVENS: Yes.

SENATOR MCKENZIE: And when we advanced LB 742 with the cap year in it from General to Select did you vote yes?

SENATOR BERNARD-STEVENS: Yes.

SENATOR MCKENZIE: Well, I just wanted to double-check if my record of the vote was correct because I, too, have done the same. Senator Janssen and Senator Stuhr from committee have voted no consistently on every issue related to the advancement of the bill and whether out of committee or whether advancing to Select File, so your...some of your arguments this evening about believing that this bill, with the Bromm amendment attached, is something you absolutely cannot live with are somewhat confusing
