LB 455

we continue, I would like to introduce in the north balcony guests of Senator Lynch. We have 53 fourth graders from Mount View Elementary in Omaha. They are accompanied by their teachers. Would you all please rise and be recognized by your Legislature. And, for your information, we're discussing LB 455, the welfare bill. Senator Hall, you are recognized at this time.

SENATOR HALL: Thank you, Mr. President, and members, Senator Bohlke, would you respond to a question?

SENATOR BOHLKE: Yes.

SENATOR HALL: Senator Bohlke, where is the amendment that you are asking us to substitute?

SENATOR BOHLKE: In the Journal.

SENATOR HALL: On what page? Can I...I mean, I...and was that...

SENATOR BOHLKE: 2408.

SENATOR HALL: 2408. So that's in yesterday's Journal, correct? Yeah.

SENATOR BOHLKE: Correct.

SENATOR HALL: Okay, so it was...you mentioned that there were only nine amendments filed to this bill yesterday?

SENATOR BOHLKE: As of early yesterday there were nine. Today there are 40.

SENATOR HALL: I...well, I just went and checked at the desk and I...

SENATOR BOHLKE: No, wait...

SENATOR HALL: ...counted 28 amendments that were filed...

SENATOR BOHLKE: Well,...

SENATOR HALL: ...or printed in the Journal prior to yesterday's Journal.
