

eight in my district, that they felt that they would like a little more representation on this commission from the administration not involved in special education. So what my amendment does is change the origin...the special education administrators from one to two, and that is what is proposed in the bill. My amendment changes the two back to one, and then adds one to just administration. I hope I explained that. In fact, we're just getting more of a balance of those not involved in special education, because there will be other people on the Special Education Accountability Commission that have a close relationship to special ed. But they felt that they would like to have more representation by those not involved in the program but are responsible for the financial aspect of the special ed program. So I'm asking for your support on this amendment. Thank you.

PRESIDENT ROBAK: Thank you, Senator Stuhr. Senator Bromm.

SENATOR BROMM: Thank you. Senator Stuhr, could I ask a question or two.

PRESIDENT ROBAK: Senator Stuhr.

SENATOR STUHR: Yes.

SENATOR BROMM: If I understand, and I think you explained it very clearly, but I was paying attention to something else, you are removing one of the special education administrators, there are now two, and...

SENATOR STUHR: Right.

SENATOR BROMM: ...and making the committee have...commission have two administrators not involved in special education,...

SENATOR STUHR: Yes.

SENATOR BROMM: ...leaving the total numbers the same...

SENATOR STUHR: That's correct,...

SENATOR BROMM: Okay.

SENATOR STUHR: ...leaving the total numbers the same.
