SENATOR ABOUD: Mr. President, members, Senator Lindsay, would you yield to a question?

SENATOR HALL: Senator Lindsay, would you respond.

SENATOR LINDSAY: Yes.

SENATOR ABOUD: Senator Lindsay, do we have a copy of this amendment? There is a lot of confusion...

SENATOR LINDSAY: Copies are being made right now, and it should be around as soon as copies are made.

SENATOR ABOUD: Thank you.

SENATOR HALL: Senator Chambers, your light is next.

SENATOR CHAMBERS: Mr. President, members of the Legislature, one of the things that will be added, if you all go for it is Senator Witek's attempt to license these sex offenders, and I don't know what all else might be added to it, but, at any rate, the issue that I wanted to talk about on the drugs, I would like to ask Senator Abboud one question, and, Senator Abboud, you may not be able to answer it as yet. Have you received any responses to your queries as of this point yet?

SENATOR HALL: Senator Abboud.

SENATOR ABOUD: On the...

SENATOR CHAMBERS: Crack and powder.

SENATOR ABOUD: ...dealers of crack...crack cocaine and powder cocaine?

SENATOR CHAMBERS: Uh-huh.

SENATOR ABOUD: Yes, I have talked to them and it is not very positive for you, Senator Chambers. Do you want me to break the news now to you or do you want to wait till we get to the amendment?

SENATOR CHAMBERS: I will wait until we get to the amendment. I just wanted to know whether or not you were in a position to.
