SENATOR LINDSAY: Ten will be F.

SENATOR HALL: Tenth division will be F.

SENATOR LINDSAY: Five, G.

SENATOR HALL: The fifth division will be G.

SENATOR LINDSAY: Excuse me, six will be G.

SENATOR HALL: Excuse me, six will be G.

SENATOR LINDSAY: Mr. President, if you could help me, what comes after G?

SENATOR HALL: H.

SENATOR LINDSAY: H will be number five.

SENATOR HALL: H will be five. I, Senator Lindsay.

SENATOR LINDSAY: Thank you. I got confused in my numbers. I got, seven and eight will be...

SENATOR HALL: I and J, respectively.

SENATOR LINDSAY: Right, with one change, back from where we...I got mixed, when we added ten and eleven, that threw off the numbers.

SENATOR HALL: And we are only missing eleven, so that has to be K.

SENATOR LINDSAY: Actually, number nine is K, and number eleven is E.

SENATOR HALL: Nine is K, eleven is E.

SENATOR LINDSAY: So if we go one through eleven would be...

SENATOR HALL: We will do it this way. As I understand it, Senator Lindsay, and correct me if I am wrong. A is one, B is the division two, C is division three, D is division four, E is division eleven, F is division ten, G is division six, H
