LB 371

SENATOR SCHELLPEPER: Thank you, Senator Chambers. Senator Hall and members, I would like to ask whether this is actually germane to the subject. Just because we're talking about firearms doesn't mean that 1,000 feet is...it's a completely different subject.

SENATOR HALL: Senator Schellpeper, is that the totality of your statement?

SENATOR SCHELLPEPER: Well, I can go into a lot more detail but that's really what I want to say is that the amendment says that it's 1,000 feet gun-free zone. This has with the discharge of a firearm and that is an element of a felony and it's a completely different subject than what Senator Maurstad is trying to address with this amendment.

SENATOR HALL: Thank you, Senator Schellpeper. Senator Maurstad, would you care to respond?

SENATOR MAURSTAD: Yes, I would, Mr. President, and I thank you for the opportunity. I believe it is germane. Section 37 of the amendment, 2316, deals with...deals with the penalties that...or the laws that you would be in violation of for carrying a handgun or a firearm, excuse me, in this particular area. One of those is 28-1206 which is the specific statute that this part of the divided question deals with. As a result, it's not so much that we're just talking about firearms, although that certainly would also be a good argument for why this would be germane, but also that it opens up the statute that deals with one of the penalties involved in the Gun-Free School Zone Act. So, with that, Mr. President, I believe that the amendment is germane.

SENATOR HALL: Thank you, Senator Maurstad. After reviewing both the amendment and the proposed amendment to the amendment, I'm going to rule that Senator Maurstad's amendment is germane. Senator Schellpeper, you, of course, have the option of moving to overrule the Chair. Senator Chambers, for what purpose do you rise?

SENATOR CHAMBERS: I move to overrule the Chair.

SENATOR HALL: Senator Schellpeper and you are no longer in accord. Senator Chambers moves to overrule the Chair. Senator
