

SENATOR MAURSTAD: Okay.

SENATOR HALL: If you settled at the door, it wouldn't qualify.

SENATOR MAURSTAD: Yeah, and I wanted to clarify that to make sure that was, in fact, the case. Thank you, Senator Hall.

SENATOR HALL: Thank you.

SENATOR MAURSTAD: I'm going to listen a little bit more to the debate here. I have to indicate that I was not familiar with this before. I, of course, think that we ought to provide local subdivisions as much flexibility as we can, especially when we talk about having in place the need for a public meeting and also an affirmative vote of the majority of the governing board. Well, I guess I've got another question, Senator Hall. It says the majority of the governing board, within the school districts, is that a majority of the governing board with the school district or is it a supermajority on the vote?

SENATOR HALL: I believe with regard to the school boards...

SENATOR CROSBY: One minute.

SENATOR HALL: ...the same way. It's a majority.

SENATOR MAURSTAD: So it is consistent?

SENATOR HALL: Correct.

SENATOR MAURSTAD: And this would be a similar provision if they were just taking a vote to increase 1 percent is a majority vote also?

SENATOR HALL: Well, the 1 percent provision over and above what is allowed, now that's a supermajority.

SENATOR MAURSTAD: That is a supermajority.

SENATOR HALL: That's a 75, three-fifths, three-fourths rather.

SENATOR MAURSTAD: How about the ADA provisions, is that a supermajority, do you recall? I suppose I could look in the bill. Maybe...
