

CLERK: LR 261, Mr. President, by Senator Fisher. Senator Fisher...to be handled by Senator Bernard-Stevens.

SENATOR WILL: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you, Senator Will, members of the Legislature, on behalf of Senator Fisher, I offer his resolution honoring the Grand Island High School girls' tennis team. And I've got...I've got Senator Fisher's speech so I'm going to read it for him, as I promised I would. For the first time in modern history, Grand Island High School's girls' tennis team has won the Class A title. Now, traditionally, Senator Fisher would have said, tennis championships are won by metro school areas. He didn't know if this was because they have a bigger talent pool, more indoor tennis facilities or less cold weather. But he is and those in his staff and Grand Island are pleased to have the 1995 trophy in central Nebraska. He hopes, and in a way I guess I hope as well, that you will support his resolution to congratulate the team and their coach, Fletcher Shields, on their accomplishment.

SENATOR WILL: Thank you, Senator Bernard-Stevens. Before we move to the next resolution, I have a guest to introduce of Senator Schimek's. Chastic Steek from Holly Springs, Mississippi, who is from Rust College, is representing the Black College Fund, and she is under the north balcony. Please stand and be welcomed. The next resolution, Mr. Clerk.

CLERK: Mr. President, Senator Abboud and Lindsay offer LR 262, found on page 2482.

SENATOR WILL: Thank you. Senator Abboud.

SENATOR ABOUD: Mr. President, members, this resolution, LR 262, honors Duchesne High School for the defeat of the Millard North High School team. This was Duchesne's fourth...or excuse me, fourth championship in the last five years and it capped a season of eighteen and one. Senator Lindsay, would you like to add anything to that?

SENATOR WILL: Thank you, Senator Abboud. And the final resolution, Mr. Clerk.

CLERK: LR 263 by Senator Abboud, on page 2482.
