

least be able to feel that they have recourse, for one, that they have an opportunity to not have either road hunting or rifle shells or shotgun pellets or other potentially life-threatening situations take place in their areas right across from their home, right out on the roads where their children are likely to be catching school buses and going to school. I think we have an issue here of safety and security for people and their children that I'm not sure is fully being comprehended or appreciated by the rest of the members of the body and if you would like to hear firsthand of some of those concerns some of the people who live in that area who are able to afford to...

SPEAKER WITHEM: Time.

SENATOR PREISTER: ..take time off are here to answer your questions. Thank you.

SPEAKER WITHEM: Senator Vrtiska on the Preister amendment.

SENATOR VRTISKA: Thank you, Mr. Speaker, members of the body. Senator Preister, just a couple of questions if I might.

SENATOR PREISTER: Certainly, Senator Vrtiska.

SENATOR VRTISKA: First of all, I think I recall you saying that they chase, the hunting on these properties, chase animals out onto the roadways and stuff where they hit. Did you say that?

SENATOR PREISTER: Senator Vrtiska, there have been increased numbers of deer hit on the road and pheasants and other wildlife game have been crossing. Wild turkeys have been out on the adjoining property owner's property so, yes, the neighbors have related...

SENATOR VRTISKA: I don't... I don't disagree with that, but I think... I guess it brings to mind any time we have a hunting season when any hunters are out, certainly they tend to dislodge all kinds of game from where they're at and move into other areas. Isn't that true?

SENATOR PREISTER: That is true, except, Senator Vrtiska, this is not just during hunting season. Remember, we're talking about controlled shooting areas and they have a seven-month period of time when they can shoot and they don't have the same
