

entities are doing and I would like to have a little more detail and part of that probably could be my fault I didn't get more detail on what some of the standards of training of all government entities. But I think that it represents some advancement in this area that we want and I will be back next year perhaps in conjunction with others to try to find a way to bring all others in; and if it's still possible, to even include Senator Chambers' considerations. I don't know yet how to do that. We've tried for several days, not we being Ernie and I, but my staff and I to try and find a way to have resistance of arrest a tolerable area and I can't find one. I mean in my mind I can't find one. And that's what it amounts to and so I am urging you at this point to go with this and so with that I close.
