

PRESIDENT ROBAK: One minute.

SENATOR CHAMBERS: ...if they can drag Senator Hall in because he did give me some time. So, Senator Hall, if the condemnation comes, they are going to get you too, but that happens, and I feel great. Who put this bill on the agenda? Not me. Who said that after two hours we'd invoke cloture? Not me. This is the Governor's doing, and Democrats work with Democrats, but why do people get offended when you say that when we all know it because "Repelicans" work with "Repelicans?" That's what always gets me. I am an independent, and you all get mad when I say the obvious. You all belong to the same party because you agree with each other on both sides. Then you get mad if you say Democrats hanging with Democrats, "Repelicans" hanging with "Repelicans." It boggles my mind, but I guess my time is up this time.

PRESIDENT ROBAK: Thank you, Senator Chambers. Senator Beutler.

SENATOR BEUTLER: Question.

PRESIDENT ROBAK: The question has been called, do I see five hands? I see five hands. The question before you is, shall debate cease on the bracket motion? All those in favor vote aye, all those opposed vote nay. Senator Beutler. Please record.

CLERK: 26 ayes, 0 nays to cease debate, Madam President.

PRESIDENT ROBAK: Debate ceases. The Chair recognizes Senator Chambers to close on his motion to bracket.

SENATOR CHAMBERS: Madam President, members of the Legislature, I would like to ask Senator Lindsay a question.

PRESIDENT ROBAK: Senator Lindsay.

SENATOR LINDSAY: Yes.

SENATOR CHAMBERS: Senator Lindsay, is it true that you are not going to invoke cloture, and that we will have an opportunity to discuss each aspect of this amendment?

SENATOR LINDSAY: No.
