

first politicians before they are anything else, and some, after they get on the bench, become relatively good judges, some become very good judges, some become excellent judges. And if there was some way they could get me, they would have a judge par excellence, but we know that will never happen. So judges are being given a different treatment. From what has been stated so far, this amendment may not have much chance of adoption, but I have another one going to this same area of the statute which would not take away all increase, and it would not even make a percentage increase. It would do it in terms of a dollar amount. So I will take my first whipping on this first amendment, but I would ask that we have a call of the house, and then I will accept a machine vote, but I want it to be a record vote.

PRESIDENT ROBAK: Thank you, Senator Chambers. There has been a request for a call of the house. All those in favor...excuse me, will everyone check in, Senator. Senator Wickersham, will you check in please. Senator Lindsay, Senator Robinson. Senator Abboud, Senator Schellpeper, Senator Bernard-Stevens, Senator Engel, Senator Pedersen, Senator Landis, Senator Schrock, Senator McKenzie. We are waiting for Senator Schellpeper and Senator Beutler. Waiting for Senator Schellpeper. There has been a request for a machine vote. The question before you is the motion to return LB 189 to Select File for specific amendment. All those in favor vote aye, all those opposed vote nay. Please record. A record vote.

CLERK: (Read record vote. See pages 2668-69 of the Legislative Journal.) 12 ayes, 25 nays on the motion to return.

PRESIDENT ROBAK: The motion failed.

CLERK: Senator Chambers would move to return for a specific amendment.

PRESIDENT ROBAK: Senator Chambers, to open on his motion.

SENATOR CHAMBERS: Madam President, that second one up there, that number two, I would withdraw that.

PRESIDENT ROBAK: It is withdrawn. The next motion.

CLERK: Senator, AM33...or I am sorry, FA335...336. (See Journal page 2650.)
