

SENATOR ROBINSON: For example, a building could be a bus barn or it could be an administrative building where there's no...which does not have a classroom and...

SENATOR BEUTLER: Okay, so your interpretation of the bill is that the wiring that can be done as a part of the direct connection could include not only classrooms but all other types of buildings that may be a part of the school district. Is that right?

SENATOR ROBINSON: No, I didn't say that.

SENATOR BEUTLER: Oh, I thought you said bus barn.

SENATOR ROBINSON: No, no, I said they would not be...

SENATOR BEUTLER: Oh, I'm sorry.

SENATOR ROBINSON: No, they would not be, no. And the...

SENATOR BEUTLER: What types of buildings...

SENATOR ROBINSON: ...Department of Education would make that designation.

SENATOR BEUTLER: Well, I mean there are administrative buildings and there are classroom buildings...

SENATOR ROBINSON: Sure.

SENATOR BEUTLER: Which is your intention? Is it your intention that they should be administrative buildings, for example, and classroom buildings or only buildings with classrooms in them?

SENATOR ROBINSON: Only buildings with classrooms.

SENATOR BEUTLER: Only buildings with...so the only buildings we're talking about are buildings with classroom in them?

SENATOR ROBINSON: Yeah, basically, right.

SENATOR BEUTLER: Okay. And does the age or the physical condition of the building, should that be considered by the Department of Education in considering whether to expend the
