

capital expenditure for connection?

SENATOR ROBINSON: I think they would have that purview, yeah, I think they would.

SENATOR BEUTLER: Okay, so if the building is used...

SENATOR ROBINSON: And I'm sure with counsel...could I have a gavel, please.

PRESIDENT ROBAK: (Gavel.)

SENATOR ROBINSON: If they...I think it would be between the...with visitation with that school.

SENATOR BEUTLER: Visitation with that? Now how would visitation with the school make a difference with regard to the age of the building?

SENATOR ROBINSON: Well I think it would make a lot of difference if the school wanted to have Internet in that building. We got a lot of schools in the state that are...that's many years old. I think down at Beatrice they've been trying to pass a bond issue for several years and they haven't got it passed. Well...

SENATOR BEUTLER: Well let's say that you had a school district that had been passing, trying to pass a bond issue for a new school district for a new building and we know if the bond issue passes they will...

PRESIDENT ROBAK: One minute.

SENATOR BEUTLER: ...not use the old building anymore. In that circumstance would you expect the Department of Education would expend money to...

SENATOR ROBINSON: I think that would be up to them.

SENATOR BEUTLER: Up to the Department of Education?

SENATOR ROBINSON: Yeah, I think it would be up to the Department of Education.

SENATOR BEUTLER: Well, Senator, they're telling me they don't
