

just said that the connect, which is...

SENATOR BEUTLER: Okay.

SENATOR ROBINSON: ...is from 3 to...we've heard from 3, estimated from 3 to 7, to \$8,000.

SENATOR BEUTLER: In what instance would you choose to fund a second priority expenditure over a first priority expenditure?

SENATOR ROBINSON: It would depend...it would depend on the money available and how many applications and also...

SENATOR BEUTLER: Well, let's say...let's say you had...

SENATOR ROBINSON: ...and also whether...also whether they were multiple buildings.

SENATOR BEUTLER: Okay. Let's say you had only \$14 million available and you had lots of applications in both categories, both priority categories and all of them...

SENATOR ROBINSON: You got 14 million right now.

SENATOR BEUTLER: ...and all of them had the same number of buildings, which ones would you pay...where would you apply the money?

SENATOR ROBINSON: How many buildings do you have?

SENATOR BEUTLER: Each application has the same number of buildings.

PRESIDENT ROBAK: One minute.

SENATOR ROBINSON: But what's the total? Makes a difference on my answer.

SENATOR BEUTLER: Tell me, I need to know...I'll tell you how many buildings, you need to tell me why that makes a difference on your answer.

SENATOR ROBINSON: Well it would be the amount of money.

SENATOR BEUTLER: You mean the size of the applica...
