LB 391

I'm ready to come back.

SENATOR HALL: Thank you, Senator Cudaback. Senator Vrtiska, yours is the last light.

SENATOR VRTISKA: Question.

SENATOR HALL: No need, yours is the last light. Thank you very much. Senator Withem, you're recognized to close on your motion.

SPEAKER WITHEM: Yes, I'd just like to thank the members for their discussion and their consideration. Either way the vote goes we're going to have tough decisions to make on our 90th day. We're going to have a difficult process ahead of us whether it be tomorrow, or whether it be the other...the...next Thursday. It genuinely is and it has absolutely nothing to do with who is the sitting Governor, it happens to be Ben Nelson is the Governor the year that I'm Speaker, where I thought that this was a good idea. My experiences that have led me to believe that this is a good idea have been contributed to by other Governors, it has absolutely nothing to do with this Governor. With that, I would like to, if I could, Mr...

SENATOR HALL: You're recognized, Mr. Speaker.

SPEAKER WITHEM: ...I would like to withdraw the motion.

SENATOR HALL: Withdrawn.

SPEAKER WITHEM: I would like to transact one, quick little item of business that I need to do, and that is to announce that while the Legislature is in session, capable of transacting business, I propose to sign and do sign and actually have already signed the certificate that will go to the Secretary of State indicating that the portion of LB 391 had been overridden. With that, I would move that the Legislature adjourn until 9:00 a.m., Thursday, June 8th.

SENATOR HALL: You've all heard the motion. There's been a request for a board vote. All those in favor of adjourning until June 8th vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 16 nays to adjourn until June 8th,
