

SENATOR WEHRBEIN: Depends which organ you hit.

SENATOR CHAMBERS: I didn't hit any vital organ...

SENATOR WEHRBEIN: Oh, okay.

SENATOR CHAMBERS: ...otherwise you'd have been dead.

SENATOR WEHRBEIN: Mmm, hmm.

SENATOR CHAMBERS: The point that I'm getting to is that if you do stick the knife in...

SPEAKER WITHEM: One minute.

SENATOR CHAMBERS: ...the person's back, you help that person by removing the knife and treating the injury, not by just pulling the knife out four inches and saying it's not in as far as it was before.

SENATOR WEHRBEIN: Well some might say that if it hit my heart it wouldn't have made any difference whether it's four or eight, you know that don't you?

SENATOR CHAMBERS: And with me it would be if they hit the area where a heart ordinarily is found, but at any rate these are the kind of things that I am grappling with and will continue to grapple with and I will have additional motions on the Budget Committee's motion in order that each item will be explained and the reason for adopting it was.

SPEAKER WITHEM: On the Chambers amendment, begin with Senator Wehrbein, followed by Senators Lynch, Hall, Chambers and Crosby. Senator Wehrbein, you're recognized to speak if you choose to.

SENATOR WEHRBEIN: Pass, I said what I wanted to say.

SPEAKER WITHEM: Senator Lynch. Senator Hall.

SENATOR HALL: Thank you, Mr. President and members, I rise in opposition to Senator Chambers' motion only because I understand that he's doing it so that the discussion can take place on each component part of the proposal. It's not because I don't support the underlying issue that the Appropriations Committee has put together. I rise in support of the package that they've
