

it. Why do you have a rule book? You all are the ones who are always telling me why you have rules and now you disregard it. Senator Will is talking cock and bull and he knows it when he says some things are not covered by the rules. This motion that I'm talking about is specifically allowed under the rules and it's allowed in the only section that mentions it at every stage of consideration of the bill. That's what the rule says that I'm dealing with and if the rule states it, how can Senator Will tell you and you buy it because of something you want to do, well this is something that is not covered by our rules and I stated the rule for you. SENATOR CHAMBERS: ...rules to be perverted.

PRESIDENT ROBAK: Thank you, Senator Chambers. Senator Witek, to speak to the motion to overrule the Chair.

SENATOR WITEK: Question.

PRESIDENT ROBAK: There's no need, Senator, you are the last light. Before Senator Chambers closes, I would like to announce that the Garden Cafe dessert bars that have been passed out to you are compliments of Senator Withem who is celebrating his 39th birthday tomorrow. Happy 39th birthday, Senator. Senator
