

January 23, 1996 LB 592

are probably better able to give those people a good idea of what their rights are because when you are referring something like this, you have certain rights with respect to your children and certain rights with respect to your property, they are set out in...

SENATOR ROBINSON: Okay, that's good enough, that's good enough, okay. Then I go down to line 21, before January 1, 1997, "salaries, office of support staff, equipment, furnishings, and supplies for a child support referee shall be provided by the county through funds", get this now, "appropriated by the county." Appropriated by the county. What are we trying to do? Is that going to be property tax? Would that be property tax Senator Beutler?

SENATOR BEUTLER: Senator I...

SENATOR ROBINSON: That is how it would be funded, wouldn't it?

SENATOR BEUTLER: Senator, you don't let me finish my answers on the other things you asked me and so I don't feel compelled to answer more questions, when you just want part of an answer.

SENATOR ROBINSON: No, I was satisfied with your answer. You don't want to answer me.

SENATOR BEUTLER: No, I don't, I don't...yes I do want to answer you Bud, but...

SENATOR ROBINSON: Okay, I asked you the question, would it be property tax, from the county?

SENATOR BEUTLER: Well, as you well know Senator, the county has no ability to tax other than property tax.

SENATOR ROBINSON: Okay, that is what I want to know.

SENATOR BEUTLER: So, why ask me the questions when you know the answer.

SENATOR ROBINSON: It will be raising property tax. Thank you very much Senator Beutler. I appreciate it, thank you very much. What are we doing? We are having all of these bills to cut down property tax. But, we are going...how much money are
