going to make, but I want to deal with that "may" and "shall" in the reinstatement of the license and various people are telling me why "may" is there. Let me ask a question of, is Senator Kristensen in the Chamber, because he is chairperson of the... well... Senator Kristensen, while you come to your desk I'm going to ask you this question. If a person is not in a position to have his or license reinstated, will the Department of Motor Vehicles accept the \$95 reinstatement fee from that person?

PRESIDENT ROBAK: Senator Kristensen.

SENATOR KRISTENSEN: Thank you. Just so I make real sure, they are not eligible to be reinstated but someone files anyway to do it?

SENATOR CHAMBERS: Yes, lets say that they have lost their license for drunk driving and they are still under that...

SENATOR KRISTENSEN: Let's put it for points so that they have been, they have lost their license and...

SENATOR CHAMBERS: Okay.

SENATOR KRISTENSEN: ...because it is an easier one to...

SENATOR CHAMBERS: Okay.

SENATOR KRISTENSEN: ...explain and they are not eligible because they haven't got up there, lets say their proof of financial high risk insurance thing.

SENATOR CHAMBERS: Or they haven't served the amount of time without the license...

SENATOR KRISTENSEN: Oh, yeah right.

SENATOR CHAMBERS: ...that they had too.

SENATOR KRISTENSEN: The time hasn't passed. Somebody sends them in the \$95.

SENATOR CHAMBERS: Yes.
