SENATOR CROSBY: Thank you, Senator Jensen. On the bracket motion, Senator Lynch. Senator Lynch. Here he comes.

SENATOR LYNCH: Madam Speaker and members, all I wanted to say was yesterday in Appropriations we talked about the extension service. Does everybody know what the extension service is? Well, would you believe that people in a county can determine by a vote of the people whether or not they want to become or stay in an extension service, and I just thought I'd let you know that just one of those simple little examples of why we allow people a vote. You might say, well, whether you participate or not in this state agency really isn't that important, why should you vote? In the case of the extension service it is important because they should have the right to make their own mind up and decide whether they want to stay in it or not. I think you get the message, and thanks.

SENATOR CROSBY: Thank you, Senator Lynch. Senator Will.

SENATOR WILL: Thank you, Madam President, members of the body. Senator Jensen, will you respond to a question?

SENATOR JENSEN: Senator Will.

SENATOR CROSBY: Senator Jensen.

SENATOR WILL: Senator Jensen, you are aware that we have several types of legal gambling in the state of Nebraska right now, correct?

SENATOR JENSEN: Correct, horse racing...

SENATOR WILL: Horse racing, charitable gaming, keno, and a state lottery, off the top of my head. You had indicated in response to Senator Schellpeper that you personally did not support keno, is that correct?

SENATOR JENSEN: Me, personally.

SENATOR WILL: Okay, if...

SENATOR JENSEN: I have never...I have never, I have in Las Vegas, never in Nebraska played the game.
